# NTC LOGISTICS

# ABOUT US

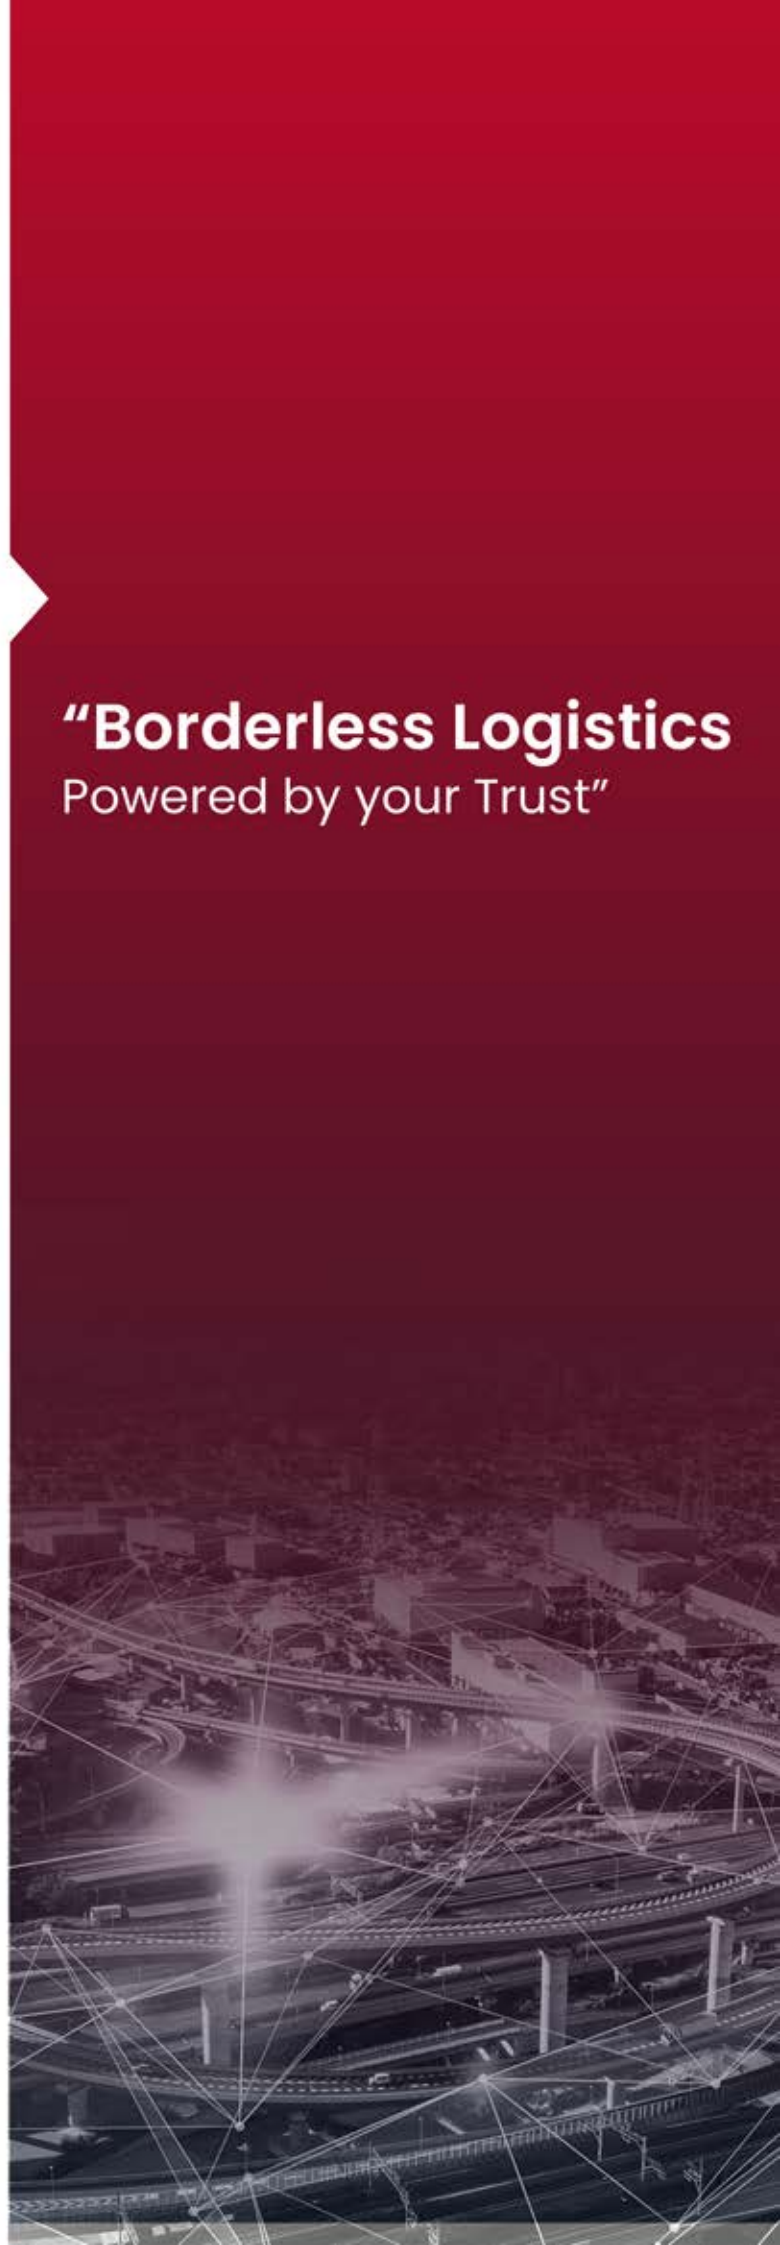

NTC Logistics India (P) Ltd founded in 1997, is a pioneer in the Indian road transportation industry specializing in the transportation of Over Dimensional Cargo (ODC) using mechanical and hydraulic vehicles and equipment.

NTC Logistics provides end to end integrated logistics solutions, starting from origin to destination in the areas of Project Logistics and Contract Logistics. We move small, medium & Over Dimensional Cargo and are the #1 Renewable logistics player in India, positioned as the 7<sup>th</sup> largest specialized equipment owner globally by ICT50.

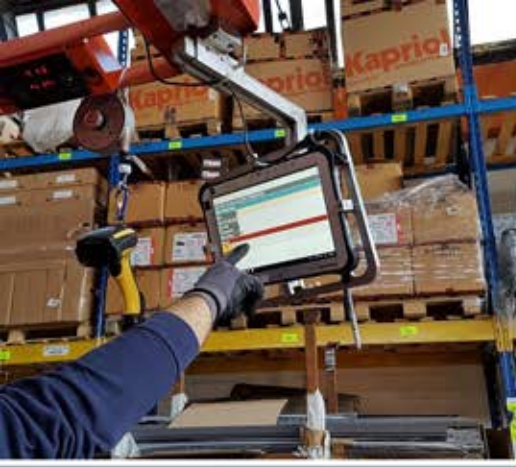

With a global presence, NTC has a strong field of infrastructure in terms of fleet availability and frequently upgraded technologies offering integrated solutions in the Supply Chain Management space.

NTC has largely contributed to the Indian logistics industry by introducing several new equipment such as Wind Blade Adaptors, Girder Bridges and Tower Adaptors to meet the challenges faced by surface transport.

Powered by your Trust”**

## PROJECT LOGISTICS

As a leader in Project Logistics and Heavy Lifts, we specialize in moving heavy & ODC consignment, and renewable equipment. Our massive asset portfolio includes Girder Bridges, Hydraulic Axles, Drop Decks, Hydraulic Gantry, Hydraulic Cranes, Extendible Trailers, and Air Suspension Trailers. In addition to budgeting, planning, and successful project execution, we provide route surveying, feasibility study, civil works, site & infrastructure development as well as crane services.

## CONTRACT LOGISTICS

Contract Logistics, the game-changer of future global SCM, plays an essential role in today's supply chain operations. With proper warehouse distribution management that caters to your business needs, our end-to-end integrated contract logistics services offer solutions from the point of origin to consumption. We help customers optimize their operations by offering exceptional design, planning, and distribution systems. In consortium with reputed international carriers, we also offer comprehensive & efficient international freight forwarding services.

# QUALITY, ENVIRONMENTAL HEALTH & SAFETY

Quality, Environment, Health and Safety continues to remain NTC Logistics top priority and is a core value in the way we operate. Our goal is to have zero preventable injuries and avoid incidents that harm our employees or put our facilities at risk. The Q&EHS are in charge of controlling the company-wide Q&EHS management system. Our comprehensive framework describes our IMS management system at a corporate level.

We continue to secure our employees and facilities by following a set of standards & procedures that address Quality & Environment, Health, and Safety.

Q&EHS takes care of three key initiatives:

- ✓ The target of BE GREEN initiative to promote environmental sustainability in NTC's activities
- ✓ BE SAFE to enhance the safe working culture at NTC
- ✓ Quality service to customers
